

International Students' Gathering 2024 ~Working in Japan~

14:00-17:00, Saturday, February 17, 2024
Multipurpose Room, 2F, Science Complex C, Aobayama Campus

◆ ◆ ◆ Program ◆ ◆ ◆

14:00-14:05 Opening

Prof. Naokazu SHIBATA (IGPAS Committee Chair/Physics)

14:05-15:20 Presentations by Guest Speakers "Work and Life in Japan"

(1) **Dr. Satria Zulkarnaen BISRI**

(Class of 2011/Physics/Indonesia/Associate Professor/Tokyo University of Agriculture & Technology)

(2) **Ms. Kashfia AHAMED**

(Class of 2019/Chemistry/Bangladesh/Research and Development Chemist, Toyobo Co. Ltd.)

(3) **Dr. Yukiko MOMMA**

(Faculty Member, Center for Career Support, Tohoku University/Japan/Senior Lecturer)

- Break -

15:30-16:45 Group Talk: Q&A and Discussion with Guests

- One guest will join your table for a chance for dialogue.
- After approx. 20 minutes, guests change tables, so that everyone will have a chance to talk with every guest.

16:45-16:50 Closing

◆ ◆ MC and Facilitators ◆ ◆

- Erick Ricardo VELASCO REYES (D3/Earth Science/Columbia)
- Dáithí Ó hAodha (D3/Mathematics/Ireland)
- Nadya Syahla SOEMAWISASTRA (D1/Chemistry/Indonesia)

Dr Satria Zulkarnaen BISRI

(Class of 2011/Physics/Indonesia/Associate Professor/Tokyo University of Agriculture & Technology)

Affiliation & Position:

(Since October 2022) Associate Professor, Tokyo University of Agriculture and Technology, Department of Applied Physics and Chemical Engineering, Graduate School of Engineering, Division of Advanced Electrical and Electronics Engineering, Institute of Engineering also, Visiting Scientist, RIKEN Center for Emergent Matter Science

Post-Graduation History:

- Apr. 2022-Sep. 2022: Senior Scientist, RIKEN Center for Emergent Matter Science
- Nov. 2014-Mar. 2022: Research Scientist, RIKEN Center for Emergent Matter Science
- Sep. 2018-Sep. 2022: Visiting Associate Professor, Department of Materials Science and Engineering, Tokyo Institute of Technology
- Nov. 2011-Oct. 2014: Postdoctoral Researcher, Zernike Institute of Advanced Materials, The University of Groningen (The Netherlands).

Hobbies: Stamp collecting (philately) and assembling plastic die-cast models.

.....

Ms. Kashfia AHAMED

(Class of 2019/Chemistry/Bangladesh/ Research and Development Chemist, Toyobo Co. Ltd.)

Affiliation & Position:

Toyobo Co., Ltd. 【Outsourced Job through World Intec Co., Ltd.】
Section: Medical Device Development Center
Period of work: 2021/12~present (~2 years)

Brief history:

Graduated from IGPAS course in Sep. 2021, and got employed in Dec. 2021. (She also attended AMC, an undergraduate course for four years.)

Hobbies: Baking sweets and go shopping

.....

Dr. Yukiko MOMMA

(Faculty Member, Center for Career Support, Tohoku University/Japan/Senior Lecturer)

Affiliation & Position:

Senior Lecturer, Institute for Excellence in Higher Education
Center for Career Support, Tohoku University

Post-Graduation History:

After graduating from Waseda University, School of Commerce, Dr. Momma worked for a major steel company, then enrolled in the Graduate School of Arts and Letters, Tohoku University, where she got her doctoral degree. Again, she worked for NPOs, think tanks, and government agencies before returning to academia. She has been involved in practical and research aspects of job placement and retention support for international students.
