Application Steps

Attention!

Before moving on to the following steps, please check the application eligibility stated in the full version of the application guide first. You may be required to take a preliminary screening depending on the conditions to examine your eligibility.

Step 1. Find a potential supervisor among the faculty members in the field of your interest. (In the full version, see page 2)

Applications will not be accepted without the consent of faculty member as a prospective supervisor. The supervisor must be a professor, an associate professor, or a lecturer (senior assistant professor) who is affiliated with or has eligibility to accept students of the Graduate School of Science, Tohoku University.

<Graduate School of Science> <https://www.sci.tohoku.ac.jp/english/>

<Tohoku University Researchers> <https://www.r-info.tohoku.ac.jp/>

Step 2. Contact the faculty members directly via email and obtain their consent for the application. (In the full version, see page 2)

Note that your prospective supervisor needs to inform the chair of their department of your application no later than the dates below so that you must obtain the consent by then:

- For October 2023 Admission: by Friday, June 30, 2023

Step 3. Prepare the required application documents. (In the full version, see page 5-7)

Application documents are as follows and **the uploading items should be a clear and sharp image.**

		<p>Branch (支店) : <i>Wakatake-shiten</i> (わかたけ支店) Branch code (支店コード) : 809 Account type (預金種別) : <i>Futsuu</i> (普通) Account number (口座番号) : 2259081 Account holder (口座名義) : <i>kokuritsu daigaku-houjin Tohokudaigaku</i> (国立大学法人東北大学) Account holder in katakana (カナ) : タイトホクダイクワ *Sender's name should be the applicant's name in katakana. *Please burden bank transfer fee at the applicant's expense. ② No need to pay the entrance examination fee for those with the following conditions:</p> <ul style="list-style-type: none"> - Those who expect to complete the master's program or professional degree program of Tohoku University in September 2023 - MEXT (Japanese Government) scholarship students, however, those whose status will become privately-financed students after enrolling in the doctoral program need to pay the entrance examination fee. - Those who are to apply for the entrance examination fee waiver for disaster victims caused by large-scale natural disasters in the academic year 2023. <p>③The above-mentioned bank account does not accept international remittances. <u>Those living abroad can pay the fee by credit card.</u> Please contact the Graduate Academic Affairs Section in advance to obtain further information.</p>
4	Academic Transcript	<ul style="list-style-type: none"> - Upload the document in PDF via the online application system. - Submit academic transcripts of both undergraduate and graduate programs. - Those who do not have any degrees including Bachelor's, Master's, or Professional degrees need to submit a transcript of the educational institution you last enrolled in. <p><u>*The original document needs to be submitted at the time of the admission procedure.</u></p>
5	Certificate of (expected) Graduation	<ul style="list-style-type: none"> - Upload the document in PDF via the online application system. - Submit the certificate of (expected) Graduation from a Master's or Professional degree program. However, if the degree-awarding date appears on the academic transcript, the certificate is not required.

		- If you have any degrees other than the master's, submit the degree certificate as well. <u>*The original document needs to be submitted at the time of the admission procedure.</u>
6	Academic Research Paper	- Upload the document in PDF via the online application system. - List of academic research papers - Master's thesis or other equivalent papers (If the paper in PDF is not available, contact the Graduate Academic Affairs Section. It is not able to submit the thesis due to the submitting schedule on the current program, send a document stating the expected date of being able to submit it.)
7	Copy of Passport or Copy of Residence Card issued by Japanese Government	<u>Required for foreign applicants only.</u> Upload the document in PDF via the online application system. - Passport: pages with personal information - Residence Card: both front and back sides

Step 4. Pay the application fee (30,000 JPY) (In the full version, see page 5)

For October 2023 Admission: by 5:00 pm, July 14, 2023 (JST)

- See "Step 3" for how to pay the application fee. Note that paying the fee by credit card is only applicable to those who are residing abroad.
- The above-mentioned payment deadline is the same as the application period for the Special Selection for International Students, however, note that the payment receipt needs to be uploaded as a required application item. Therefore, be aware that the payment needs to be made earlier than that time and date.

Step 5. Apply via the online application system (In the full version, see page 4)

For October 2023 Admission: From 10:00 am, July 10 to 5:00 pm, July 14, 2023 (JST)

<Online Application System>

<https://admissions-office.net/en/portal> (in English)

<https://admissions-office.net/ja/portal> (in Japanese)

- Be sure to press the "Complete my application" button to complete your application. Note that your application will only be accepted if you complete the application procedures by pressing the "Complete my application" button via the online application system during the application period.
- Applications that are lacking necessary documents, are incomplete, or are otherwise inadequate will not be acceptable.
- Earth Science department applicants should specify one of the research groups from (A), (B), and

(C) below in the online application system.

- (A): Geosphere Evolution (Material Circulation in Geosphere), Natural History Science, Geoenvironmental Dynamics, and Natural Disaster Science
 - (B): Environmental Geography, Geoenvironmental Dynamics, and Natural Disaster Science
 - (C): Earth and Planetary Materials Science (Reaction and Kinetics in the Earth's Interior), Petrotectonics, Natural History Science, and Comparative Solid Planetology
- Making false or misleading statements on the application may result in the cancellation of admission status.
 - After submission, declining an application and amendment to written information on the application documents cannot be allowed. The relevant application documents are not returnable and the entrance examination fee is not refundable.
 - After the application period, the section reviews the eligibility of each applicant and then sends the confirmation of receiving the application and the other relevant information to the email address which is registered in the online application system. Therefore, the applicant should check emails regularly.
 - The examination admission card can be downloaded from the online application system and be sure to have the card on the examination day. The section will send you an email when downloading becomes available.

Step 6. Take an examination (In the full version, see page 7)

For October 2023 Admission: Sometime between late July and early September 2023

- The selection of applicants is determined based on the evaluation of the submitted documents and their performance in proficiency examinations of specialized subjects, foreign language (and Japanese language, if necessary), and an oral examination.
- The examination schedule and the selection method will be notified in due course of time. For detailed information, ask your prospective supervisor.
- The examination will take place at the Graduate School of Science, Tohoku University unless notified. (Address: 6-3 Aramaki-Aza-Aoba, Aoba-ku, Sendai 980-8578, JAPAN) Detailed information on the examination room will be notified individually after the application procedures are completed.

[NOTE]

Those living abroad may be able to take the online examination depending on the conditions. Please inquire with your prospective supervisor about the method of the examination.

✧ **Announcement of Selection Results (In the full version, see page 8)**

For October 2023 Admission: 9:00 am, September 8, 2023

- The selection results will be posted on the Graduate School of Science website on the following dates, and the letter of acceptance will come out via the online system after the selection results announcement.
