MEXT (Japanese Government) Scholarship for IGPAS 2023, 2024, and 2025
Master's Program: 7 students for 2 years

The Graduate School of Science offers the MEXT scholarship to seven master's program IGPAS applicants who successfully pass the entrance examinations with excellent performance for 2023, 2024, and 2025 admissions. The result of the MEXT scholarship is announced at the time of the IGPAS examination result notification.

1. **Scholarship Benefits**

   (1) Monthly stipend

   Master's program students: 146,000 JPY/month (including the Sendai regional allowance of 2,000 JPY.)

   (2) Flight Tickets

   ① For coming to Japan for admission

   ② For returning to the home country after completing the stipulated period of the master's program

   (3) Exemption from the application (examination), admission (entrance), and tuition fees

   ① Application fee: 30,000 JPY

   ② Admission fee: 282,000 JPY

   ③ Tuition fee: 267,900 JPY per semester

2. **Scholarship Period**

   - For two years during the stipulated period of the master's program
   - The scholarship period cannot be extended.

3. **Eligibility**

   Candidates for the MEXT scholarship on IGPAS must satisfy all of the following conditions:

   - Those who were born on or after April 2, 1988 (for IGPAS 2023), 1989 (for IGPAS 2024), or 1990 (for IGPAS 2025).
   - Those who intend to complete the program within the stipulated period from admission.
   - Those who satisfy the application requirements designated by MEXT.
   - Those whose evaluation point average is higher than the criterion designated by MEXT.
   - Those whose English language proficiency is higher than the criterion designated by MEXT.

4. **Notes**

   - MEXT scholarship students cannot receive any other scholarship except for a research grant.
   - MEXT scholarship will be terminated when you are unable to complete the curriculum within the standard program term.
   - The MEXT scholarship students on IGPAS are not allowed to change schools from the Graduate School of Science, Tohoku University.
   - The above-mentioned conditions are subject to change.
