

TOHOKU
UNIVERSITY

July 19 (Fri.) - 20 (Sat.)

CHEMISTRY SUMMER SCHOOL 2024

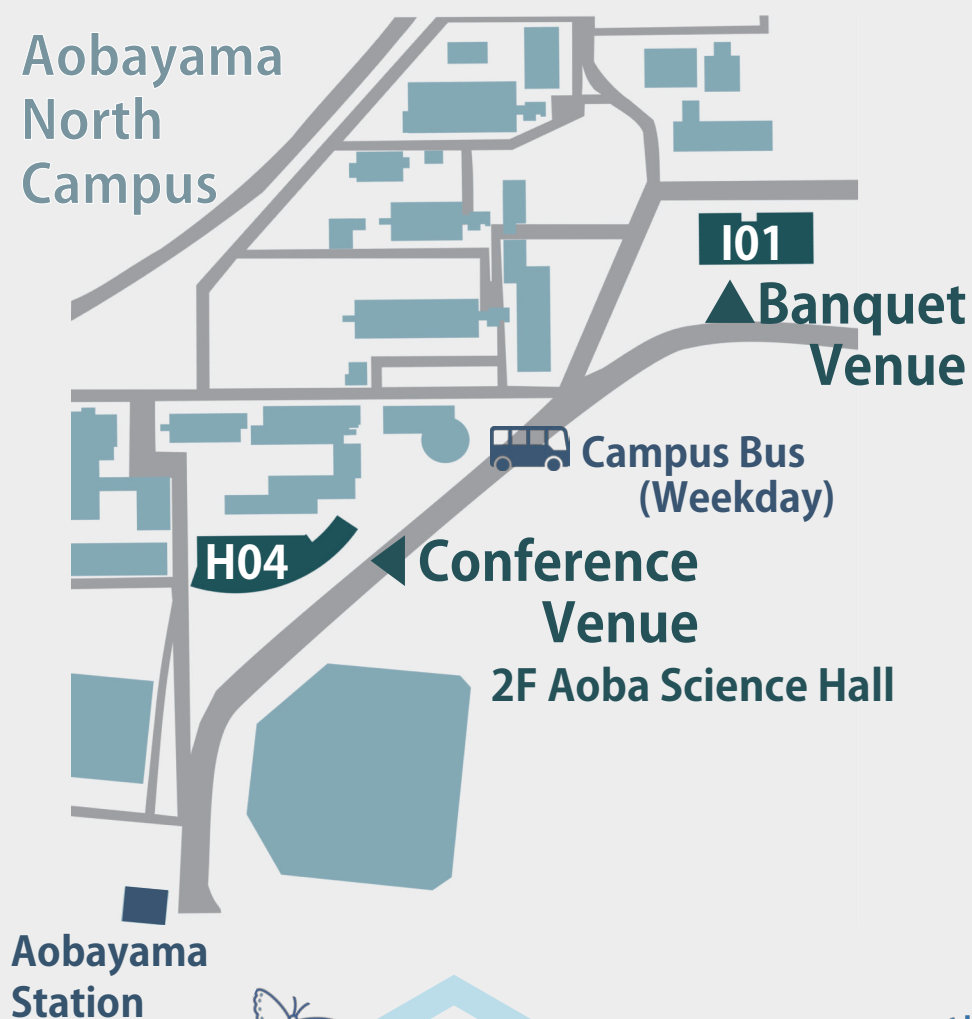

Chemistry-related graduate schools at Tohoku University, in collaboration with the International Joint Graduate Program in Integrated Chemistry (GP-Chem), will host the annual summer school again this year.

All students studying chemistry are welcome. Join us!

Attendance is free!

Check our homepage for more details:

<https://sites.google.com/view/gpchem-summer-school2024>

Day 1 Keynote Lecture

"Charge and Spin Manipulations
in MOF Magnets"

**Hitoshi
Miyasaka**

Grad. Sch. of
Science

Day 2 Keynote Lecture

"Synthetic study of natural products
with biological activities of agricultural
and/or medicinal importance."

**Masaru
Enomoto**

Grad. Sch. of
Agricultural Science

Invited Students

- **Sanhawat Rumporee**
Chulalongkorn University
- **Rohan Dilip Phalke**
Indian Institute of Technology Bombay
- **Yuke Yang**
University of Duisburg-Essen
- **Tianqi Xia**
Shanghai Institute of Organic Chemistry, CAS
- **Sitara Khan Teli**
Indian Institute of Technology Ropar

Banquet

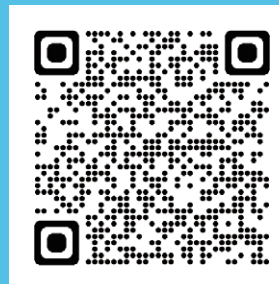

Date

July 19 (Fri.)

Banquet Fee

3,000 yen
